

## Community Events So Far This Year...

### Waste Management Phoenix Open

Sigma was once again thrilled to have the opportunity to participate in this year's Open. While we did not sponsor a box this year, we were invited guests and owe great appreciation to **Armstrong Development and Gammage & Burnham** for including us! It was, of course, another spectacular event despite the less than Chamber of Commerce weather and frost delays! Hope you had a chance to enjoy the fun!

### AAED Tribal Business Summit in partnership with the Arizona Indian Town Hall

On **March 22-23** the Arizona Association for Economic Development (AAED) hosted the second annual **Arizona Tribal Business Summit** as the Arizona Indian Town Hall and Business Summit at the Gila River Wild Horse Pass Conference Center in Chandler, AZ. This has two and a half day interactive, idea-sharing conference for both Native and non-Native economic development practitioners, government agency representatives and project stakeholders interested in working together to develop statewide growth opportunities and initiatives that are sustainable and realistic. During this forum Arizona Indian tribes provided insight into future development plans and beneficial opportunities, as well as preferred methodologies for doing business with the various Indian tribes. Sigma was honored to participate in the planning for this valuable Tribal Summit event!

## Help a worthy cause for March of Dimes

March of Dimes, as a Co-Presenting Sponsor, is rolling out the red carpet for the eighth annual “Nurse of the Year” event on Saturday, August 27th at the Arizona Biltmore. With over 400 healthcare professionals attending, this elegant evening affair recognizes outstanding nurses throughout Arizona, champions the profession of nursing while bringing awareness to the nursing shortage facing our state and supports the mission of the March of Dimes. A portion of sponsorship proceeds benefit nursing scholarships. Anyone can nominate a nurse for an award – patients, friends, family, co-workers or other health professionals. A volunteer committee of industry professionals and community leaders will review blinded nominations and select three finalists in each category. The Winner Selection Committee, also comprised of health care specialists, will select a winner in each category to be announced the night of the gala. Tickets are \$150 per person, and Corporate Sponsorships are available. **For more information please contact Stephanie Canzano, March of Dimes Arizona Chapter Community Director at (602)287-9936 or [scanzano@marchofdimes.com](mailto:scanzano@marchofdimes.com).**
